

Dear Parent,

Thank you for your interest in having your child attend the 2008 CEISM C Summer Enrichment Program. You may have noticed that the procedure for applying to the program has changed and we recommend you read through this letter completely before proceeding with the process. You must submit all components of the application in order to be considered for any program. We hope you find our new process to be user friendly and convenient for you to complete in a timely manner.

The General Information Packet is the second step of the four step application process. This step requires you to complete two of the three included pages and secure a current grade report.

Included pages:

Page 2 – The Student Information form – complete all sections

Page 3 – The Student Expectation Contract – Read completely and signed by both parent and child

Page 4 – The Teacher Recommendation Form – This form should be provided to a science or mathematics teacher that can appropriately provide the required information. The teacher will complete the form and return it to you in a sealed and signed envelope to be submitted with the remainder of your application.

The current grade report - High School program applicants should submit an unofficial transcript, and a copy of PSAT or SAT scores, that you can obtain from your guidance office. For students applying to a program that is a rising 5<sup>th</sup> – 9<sup>th</sup> grader should provide a grade report indicating grades obtained during the fall of 2007.

We look forward to reviewing your application and hope to see you this summer.

CEISM C Student Program Staff

## Student Information

(You must submit a separate packet for each student)

Student's Name: \_\_\_\_\_

Student's Address: \_\_\_\_\_

City: \_\_\_\_\_ State: \_\_\_\_\_ Zip Code: \_\_\_\_\_

Student's Home Phone #: \_\_\_\_\_

Student's School: \_\_\_\_\_ School District: \_\_\_\_\_

Student's Grade level (Next School year '08-'09): \_\_\_\_\_ Student's Shirt Size (adult sizes): \_\_\_\_\_

Parent's Name: \_\_\_\_\_

Parent's Cell #: \_\_\_\_\_ Parent's Work #: \_\_\_\_\_

Parent's e-mail address: \_\_\_\_\_

(This address should be active and checked often as this is our main communication method)

## Student Expectation Contract

Georgia Tech has high expectations for all students. The following expectations are designed to promote the well being of each student and to insure that each child is able to reach his/her fullest potential. Each student will be expected to do the following:

Respect the property and feelings of fellow summer program students, teachers and student assistants as well as all others not directly associated with summer programs (bus drivers, dining hall staff, etc.).

Always act in a manner that will promote a classmate's opportunity to learn.

Have a positive attitude about learning and involvement during the summer program.

Politely communicate any concerns directly to summer program teachers or student assistants.

No "horseplay" of any kind will be tolerated. Students are representatives of Georgia Tech during their involvement with the summer programs.

No drugs or tobacco are permitted on the Georgia Tech campus by summer program participants. If your child requires prescribed medications, please include a note that indicates the name of medication, time the dosage is administered, and the medication must be in the correct prescription container.

No weapons of any kind are permitted on the Georgia Tech campus. This includes guns, knives, switchblades, pocketknives, and any other instruments that could be used as weapons. Any student who brings a weapon to a summer program will be handed over to the campus police and immediately dismissed from the program.

A student who violates any of these rules will be dismissed from all summer programs.

By signing this page, I acknowledge that my child and I understand the expectations for participation in the CEISMC Summer Program and that any violation to the expectations will result in the immediate dismissal from the summer program. If my child is dismissed from a program, I understand that they are then deemed ineligible for any further CEISMC programming.

## Teacher Recommendation Form

Recommendations should be completed by a science or mathematics teacher.

Student's Name: \_\_\_\_\_

Teacher,

The above-named student is applying for a summer enrichment program sponsored by the Georgia Tech Center for Education Integrating Science, Mathematics, and Computing (CEISMC). CEISMC enrichment programs are open to students who display a keen interest in mathematics, science, and engineering. This program is NOT exclusively for the gifted and talented. In fact, we wish to encourage students of average ability who might benefit from the recognition and enrichment this program offers. Your comments count heavily in our selection process, so please take time to write fully and candidly about this student. For additional information about CEISMC summer enrichment programs, please visit our website at: <http://www.ceismc.gatech.edu/summercamps>.

When you have completed the form, place the form into a sealed and signed envelope and return to the student for submission. Please sign along the sealed flap.

Thank you for your time,  
 CEISMC Student Program Staff

After checking the appropriate boxes in the grid provided, please use the back of this form to write any comments. If you have checked any box "below average", please explain. Thank you for your help in evaluating this student.

	Excellent	Good	Average	Below Average
Works well with others				
Respects authority				
Adapts easily to new surroundings				
Has positive attitude towards school				
Mathematics achievement				
Science achievement				
Handles conflicts appropriately				
Accepts responsibility for behavior				
Follows written and oral directions				
Seeks new challenges
