Test Case "User Four" TEAM CM5

Tester Info

Name: **Eden Quevedo**   Date: **4/20/2011**
Job Title: **Tester**
Manager: **Michael Grande**

Procedure

Step 1: Ask user to run program from flash drive.

Step 2: Ask user to convert image to spreadsheet.
Step 3: Asked user to convert spreadsheet to image and save it.
Step 4: Asked user to view image.

Results

User was able to   load program but no image preview came up. Writing the spreadsheet file was not written correctly to user's machine, so the image that was generated was just a purple block.
