21. What are the major strengths of this class? What is helping you to learn? (Q979)

- The way the labs are constructed gives me a platform to test my knowledge of the course material and gives me a good understanding of areas I need to improve on and areas where I should feel comfortable in computer science.

   - Lecture is clear and office hours being right after class close by is wonderful

22. How can Nicole Hamilton improve this class? If possible, give specific examples. (Q980)
   - For the first half of most lectures, we go over slides we have already seen. Maybe making new slides that show the same examples but from a different lens would aid in retention.

23. Please enter any additional comments you have for Nicole Hamilton. (Q981)
   - Thanks for making a difficult class engaging.
